

Connect the Dots

If you put a quarter in your piggy bank each day, at the end of the year you would have saved \$91.25!

The largest piggy bank in the world is over 6 feet tall!

Hundreds of years ago, people saved money in clay pots made from a material called "pygg." Over time, when potters were asked to make "pygg banks," they started shaping them like actual pigs—and that's how the piggy bank was born!
